# Checking Medical Conditions and Special Services

To quickly see which students have medical conditions or receive special services, you must have enabled notifications. To do this,
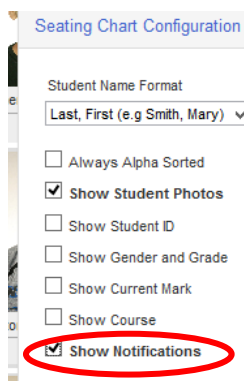

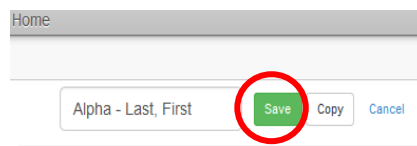

1. Click on the EDIT button.

2. If the Seating Chart Configuration options are not showing, click on the little arrow to open it.

3. Click Notifications.

4. Click SAVE.

 The red cross indicates a medical condition. See below.

 The student with a backpack indicates 504 or that the student receives special services.

To find out more information about the medical condition

Click on the photo of the student and then select *Health* in the drop-down box.

Click on the *Conditions* tab.

To find out if a student receives special services

You will need to exit attendance and go to the 'tree'.

Click on *Student* and the list expands.

Click on *Student.*

Click the *Enrollment* tab.

Instructional Setting will list SE if the student receives services.
